WE'RE HERE FOR YOU.

A family-owned and operated business, Automatic Climate offers heating and air conditioning service and sales. When Alan Purser, Sr., started operating Automatic Climate so many years ago he had nothing more than a truck, a mission, and a strong work ethic to provide only the best HVAC service to homeowners. Today, Alan's work ethic remains as the heartbeat of our company. Your comfort is our number one priority.

What if it's 95 degrees outside and your fan-motor gives out? What if your heat pump stops when it's 23 degrees? With a Preferred Client Service Agreement, you're covered no matter what happens.

You call — a NATE-certified technician will be there to diagnose and fix the problem.

We'll contact you in a timely manner and will never charge you extra even in busy seasons.

Our exclusive service agreements offer preventative maintenance to help ensure your system is running at peak performance.

Plus, you'll have the added value and peace of mind of knowing that your HVAC system is protected year-round. Plans start as low as \$8.25/month.

WE'VE GOT YOU COVERED.
